

Our Lady Queen of Martyrs Catholic Church

Religious Education Program

Parent/Guardian Acknowledgement

2021-2022

As parent/guardian of _____, I have read this handbook, understand its contents, will support the processes written within, and agree to its implementation.

I understand that if I have any questions or concerns I may request a meeting with the Coordinator of the Religious Education Department.

I understand that if I choose to voluntarily withdraw my child from the Program, the registration fees will **not** be refunded, but I will be given the learning materials from the education program that were distributed to my student.

I understand that changes in the health status and concerns within our community may require some adjustments to the program plans that have been outlined within.
