

Adult Faith Enrichment

Do you have a hunger, a craving, a desire, or even a sense of eager anticipation for spending time with God, worshipping Him in Church, communing with Him in prayer, or reading His Words? Pope Francis once said beautifully in his remarks before the Angelus on July 26th, *“Jesus satisfies not only material hunger, but the most profound of hungers, the hunger for meaning in life, the hunger for God.”* My Brothers and Sisters in Christ, if we’re honest with ourselves, many of us would have to admit that we’re not as “hungry” for God as we should be – or else we would find the time to “feast” on Him more often.

In August, OLQM will provide the Adult Faith Enrichment (AFE) courses on God and how we can passionately desire and hunger for God, starting with THE CREED that we profess every Sunday and Solemnities, by Bishop Robert Barron, Word on Fire. Michael J. McKenna and his wife, Beth, recently registered at OLQM. Mr. McKenna has a passionately strong calling to teach AFE and would love to assist you to broaden your knowledge about God and your Faith. Here is a brief biography about Mr. McKenna.
